| DVS Bungalow     | 96500937 | DVL Bungalow     | 96500947 |

## Installation

**WARNING:** The magnets are very strong and may scratch the paint on the backing plate if the accent is re-positioned while in place. Take care while re-positioning the accent. Keep the magnets away from children.

### Plated Surfaces (Bronze & Nickel)

Use denatured alcohol and a soft cloth to clean plated surfaces. Marks left on the surface may damage the face.

### Copper-Plated Surfaces

See the instructions included with the onlay kit for cleaning with citric acid.
